Version: 13.0

Date prepared: Wednesday, 22 December 2021

This Financial Services and Credit Guide (FSCG) contains information that will help you decide whether to use the financial services we offer. It sets out:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee, Hillross Financial Services Limited (Hillross)
- our fees and how we, and Hillross are paid in connection with those services
- how we manage your private information
- how you can complain about a matter relating to us or Hillross

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SOA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for at least seven years after our relationship ends. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to manage that product. You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Not Independent

Generally, we provide personal advice in line with our Approved Product and Services List (APSL) which may include financial products and services associated with the licensee. We may receive commissions from life insurance products we recommend and non-monetary benefits such as training and educational seminars from product providers. For these reasons, we are not considered independent, impartial, or unbiased.

We may share in this fee based on the level of participation by our clients.

The facility is subject to certain conditions (such as, reason for sale, time the firm has been operating with Hillross, level of adherence to Hillross compliance requirements and achieving a satisfactory level of customer service), and provides a minimum value for our register of clients.
